*It snows in North Dakota over 20 inches a year;
I can't wait until those inches get here...*

I'm gonna go; I'm gonna go; I'm gonna go for a walk in the snow!

It's up to my knees; it's up to my knees; it's up to my knees already today;
It's up to my knees, it's up to my knees; but I'm gonna go now anyway!

I'm gonna go; I'm gonna go; I'm gonna go for a walk in the snow!

It's up to my hips; it's up to my hips; it's up to my hips already today;
It's up to my hips; it's up to my hips; but I'm gonna go now anyway!

I'm gonna go; I'm gonna go; I'm gonna go for a walk in the snow!

It's up to my neck—what da heck? It's up to my neck already today;
It's up to my neck—what da heck? But I'm gonna go now, anyway!

I'm gonna go; I'm gonna go; I'm gonna go for a walk in the snow!

It's over my head; it's over my head; it's over my head already today;
It's over my head; it's over my head; but I'm gonna go now, anyway!

I'm gonna go; I'm gonna go; I'm gonna go for a walk in the snow!
