What I can do for you -

My name is Rasa Vitalia and I'm a professional dynamic, fun, energetic and engaging multi-talented dance, vocal and music performance artist and visual artist who does sword balancing, rhythm, audience interaction, and famous for my super fast hot shimmies! I'm looking to put on and be a part of shows, corporate/public/private events, team projects/castings, residencies, festivals and looking for management and/or representation and I am available to travel. Shows can be geared for kids and/or adults. Most of my work is in variety, theater, circus, performance art, music, modeling/acting, film/videos, and burlesque. The different dance styles I do for events also include belly dance (Middle Eastern, Persian, Afghani, Israeli, Palestinian, Arabic, Egyptian, Greek, Moroccan, Spanish, etc.), Brazilian samba, bollywood, bhangra, club, house, go go, hip hop, electronic dance, kids dance, etc. . I run my own business and know the ins and outs of what it takes to put on an entire entertainment event production and show from my experience as a performer, promoter and show producer in the entertainment, theater, cabaret, drag, and live music industries. In running my own business, I perform tasks of an entertainment business executive including, accounting, saavy and suave in-person calls/internet correspondence, entertainment business organization and tour management, promotions, marketing, merchandising, live music and show production and creation, business plans, costume, show, lighting, sound, music design and creation, performance and MC/DJ, in-house Show and Music filming and video producer, designer, coordinator, and casting. I know word, excel, photoshop, illustrator, logic pro, garage band, handbrake, quicktime, imovie, and internet programs. I also teach dance, am a movement director, write my own music for my shows, have been in several bands, am a show and music producer and direct the build and energy of a show, and draw speedy caricatures! I am a super promoter and marketer, know how to run the show/events, how to organize a tour/show, and work on this 24/7 and know all the ins and outs of running the biz of entertainment. I can do ton to make a show awesome! Be creative!
