2018 marks the 6<sup>th</sup> year for this award winning Southern California based tribute to 80s MTV icons Huey Lewis & The News.

With a front man who bears an uncanny likeness as well as a sound and style that has fooled more than a few fans, The Heart of Rock & Roll is a non-stop ride through some of the biggest hits of the 80s in a colorful and exciting concert experience that teleports you Back in Time to when Huey & the boys dominated not only the charts but also the world of music video.

Propelled by mega hits like, *“I Want a New Drug”*, *“Heart & Soul”*, *“Hip to Be Square”*, *“Jacob’s Ladder”* and of course *“The Heart of Rock & Roll”* Huey Lewis & The News have sold over 30 million albums and enjoyed a run of 19 Top 10 hits including their #1 hit, *“The Power of Love”* from the worldwide blockbuster movie Back to The Future.

The response has been overwhelming. With thousands of YouTube views and a strong social media following, The Heart of Rock & Roll has established itself as one of the most accurate and entertaining nationally performing tribute acts and we’re encouraged to keep spreading the news across the country.
