st to and for 5 years the time for completing the
t for company's projected railway from Midland
bout to Penetanguishene and Perkinsfield, and
the from Midland to Orillia. The company
some was incorporated as the Midland Terminal
was Ry. and built about 5 miles of tracks in
h 4. connection with the Drummond Iron
sub- Works. Its name was subsequently
the changed to the Midland, Simcoe Ry. Co.
and authority given to build a line to Orillia.
the Midland Terminal and Terminal Co.—
