The Jollette and Brandon Ry. Co. was incorporated by the Quebec Legislature in 1905 for the purpose of owning and operating the line heretofore known as the Montreal and Lake Maskinonge Ry., about 15 miles in length. By the act which the Dominion Parliament is being asked to pass at its current session, the railway is declared to be a work for the general advantage of Canada: it is authorized to issue bonds to the extent of \$20,000 a mile, and the lease to the C.P.R. dated Oct. 31, 1906, is confirmed.

London and Port Stanley Ry.—At the annual meeting in London, Ont., Dec. 28, Mayor Judd, President, presented a report showing what had been done during the year, and referring to the rejection of the offer of the Pere Marquette Rd. Co. for an extension of the lease. The financial report showed the receipts to have been \$21,185.81, made up as follows: Rental for 12 months ended Sept. 30, \$10,000; interest on rental for same period, \$2,596.60; percentage, \$8,589.21.
