DINING WITH CANADIAN RAILWAYS

Volume 1 - Canadian Pacific Chinaware

DINING WITH CANADIAN RAILWAYS

*VOLUME 1 -
CANADIAN PACIFIC CHINAWARE*

WILL SMITH

This brand new book documents more than 250 chinaware patterns - used not just on Canadian Pacific's dining cars, but also on the company's steamships, hotels, airline, and restaurants.

It is the culmination of 30 years research and provides a detailed reference of CPR chinaware production and use - and will be of value to researchers, chinaware collectors and railway historians.
