Ole Miss Groups Refurbish Home For A Needy Family

By NEAL GREGORY For its annual Help Week project, Alpha Tau Omega fraternities at Ole Miss completely refurbished the home of a deserving family ten miles east of Oxford...

ANN HELGASON and Chip Marble of Vicksburg study plans for the ATO-KD Help Week.

Several merchants in Oxford donated some furniture for the family. Other expenses were shared by the ATO's and Kappa Deltas.

One of the members who is only regret — that Mrs. Threlkeld was happy, she repeated over and over, "It's just like a dream. I never thought that my home could be finished."

NATIONAL CAMPAIGN The idea of having a "Help Week" instead of the standard pre-orientation "hell-week" was introduced in 1949 by Bob Ladd...

Friday afternoon and all day Saturday was spent by the approximately 100 students at the Threlkeld home. At noon Saturday "dinner on the ground" called for a halt to the painting, sawing, hammering, sweeping, and digging.

As the sun set Saturday, the tired students made their way back to the campus, sun-burned faces and paint-splattered hair formations. Each felt a certain satisfaction as Mrs. Threlkeld, with tears in her sightless eyes shouted "Thank you and God bless you all."

State Could Profit Thru Landscaping Its Property

By WOODSON K. JONES garden. During recent weeks I have been enjoying a belated, but beautiful display of these flowers, the grape hyacinths in particular...

GRANDIFLORAS The new class of roses called Grandifloras is the result of crosses between the hybrid tea and the floribundas. The blending of these two distinct types has produced flowers similar to the hybrid tea...

LAWN REPAIRS If you are a gardener, you will find the edges of his lawn broken down by winter. Foot steps, garden tractors, the wheels of mowers, and even the footprints of a heavy truck...

SOD UNDER TREES That lawn grasses growing under trees are in competition with those for the available food and moisture. Areas under trees need more plant food than do open growing in full sun.

CHERRY TREE GONE If planted in the shade, the pink dogwood in the H. H. Henderson yard, 1002 Laurel, was a thing of beauty. Some green grove trees are not purchased as when a flowering cherry also grows this year. It is unfortunate that we cannot enjoy the cherries along with our other flowering trees.

LATE DISPLAY Just at Christmas time one of my friends made me a present of quite an assortment of bulbs. Although the usual planting time for the daffodils, grape hyacinths, and other early spring flowering types had long past, I set them out in the

WILFLOWER GARDEN Pink and white azaleas, commonly and erroneously called wild rose-hips, orange and yellow azaleas, ferns in variety, trillium, periwinkle, and many other specimens in the Thompson Wildflower Garden were enjoyed by a number of visitors last weekend.

AMERICANS GO OUTSIDE TO LIVE AND LIKE IT! In recent years there has been a tremendous surge by home owners all over America to extend their living to the outdoors through the landscaping of outdoor living rooms, terraces and patios.
