

Top 30 Albums of 2005

It's been a tough job picking the very best albums from the hundreds we've reviewed this year. But, now all the votes are in, we can reveal that the winners are...

26 Gina Villalobos

Rock'n'Roll Pony Laughing Outlaw LORCD089

The second album from the California native sees her delivering a rock-edge to her hook-filled sound. Lucinda Williams fans take note, there could well be a new queen of alt-country.
