

Long Blue Mile G 2nd ft (A)

G D C D G D C

I'm coming up empty, There ain't no good way around

G D C Am D

I'm flailing and thrashing, Fighting and crashing, Hitting the ground

G D C D G D C

You're shining like lightning, You Are thundering rain

G D C Am D

I'm caught in your crossfire, feeling the struggle, the love and the pain

CHORUS:

G B7 C D G Am C D G

You've taken the short way into my life, You made me love you

G B7 C D G Am C D G

You've taken the short way into my life, Oh yeah you know I need you

G B7 C D G B7 C D G

You've taken the short way, Baby You've taken the short way, Darlin

G B7 C Am

You've taken the short way, Right now I need you

D G Am C D G Am C D

we're walkin this long blue mile Walkin this long blue mile

You don't have it together – Either, The blind leading the blind

But if we lean on each other – Maybe a good way - we might find

When you're with me I'm singing- Oh Happy Days, When we're together we're fine

When you dance with me Darlin, Our ecstasy swirlin like rainbow wine

Chorus
