

The Pernell Reichert Band is a roots/rock group from Vancouver, BC, Canada that has been well received at folk festivals, pubs and coffee houses throughout Western Canada for 13+ years. The band features singer-songwriter Pernell on guitars, harmonica, banjo, and vocals; Ross Christopher Fairbairn on bass and background vocals; and Tom Tischer on drums and background vocals. Their music has been described as razor sharp folk, alt country, or cow punk. The band's witty banter with audiences accompanied by their fast folksy songs, and foot stomping banjo tunes interspersed with a few melodic solo acoustic ballads provides for a fun evening of musical entertainment.
