

# Sing Out!

Vol. 51 #1 • Spring 2007

## **Cynthia Summers, Love at Every Turn (RedTree)**

The intricate imagery in Cynthia Summers' songs reflects her past life as an award-winning poet. Her country-tinged melodies are lushly supported by top studio players including Duke Levine and Dave Mattacks, as well as a string trio. But the star here is Cynthia's crystalline but powerful soprano, eerily reminiscent of a young Judy Collins. A strong debut for this New Jersey native.
