A personal message from Whitlee:

First let me say that I am very excited and feel very privileged to be a part of your event. I believe that God desires to do a great work in His church uniting it in our worship to Jesus. My heart's desire is to truly minister in any way I can. I understand that a band rider can be a bit demanding and I hope that mine is easy to understand and not overbearing. I have no desire to be a burden in any way and would like to know if there is anything that I can do to better serve you in the future. However, please take into consideration that as a full time ministry, the provision of certain products and services not only blesses me but also helps me, and those with me, to serve to the best of our ability. Thank you very much for the opportunity and I look forward to serving with you.

Load In/Out

Whitlee would greatly appreciate any help available loading our gear in and out of the venue. If you could, please provide two (2) adults or capable young adults to help with this process. I plan to arrive two (2) hours before the start of the show.

Hotels/Host Homes

Please provide a host home or hotel. If providing Whitlee Casey with a host home, please make sure the host home is a very clean/equipped home with wireless internet access and is a reasonable distance from the venue (preferably within 10 minutes). If a hotel is provided, please reserve one (1) non-smoking hotel room with one (1) queen sized bed in a comfortable hotel (Holiday Inn Express, Hampton Inn, Embassy Suites, Hyatt Place, etc.) Please make sure the hotel is equipped with free wireless internet access and is a reasonable distance from the venue (preferably within 10 minutes). Please reserve all rooms under the name Whitlee Casey. If you must reserve them under a company, church or university name in order to secure a discount or corporate rate, please place Whitlee Casey as the name on the reservation. * *PLEASE e-mail the hotel a credit card authorization stating that Whitlee Casey is authorized to run the credit card on the reservation. Otherwise, the stated name or company representative on the card will need to be present when the band checks in, in order to show proof of the card. A hotel will not let the band check in unless the card has been authorized. If you choose to provide a host home, please have the host home provide a bed and access to a restroom and shower. We ask that the hosts be preferably a married couple.

Payment

In the event of a required deposit payment, it should be made payable to Whitlee Casey. Any remaining balance will be due upon Whitlee's arrival. All payments on behalf of the artist should be made payable to Whitlee Casey.

Runner

In cases which Whitlee Casey will be flying out for your event we request a runner. This person is responsible for the transport of individuals and materials traveling with the performer on the day of the event. This typically entails going to and from the hotel and/or any other destination. Please provide one (1) adult runner, preferably with good knowledge of the area.

Sound

Sound will need to be provided and Whitlee would appreciate someone to be available to run sound for him. Sound system must be placed and ready 2 hours prior to performance time. They should arrive the same time as load in for the band and should be experienced with running sound. This includes all set up and tear down of microphones, cables and stands. Please supply one (1) boom mic stand and one (1)

power source/outlet nearby the area Whitlee will be performing on the stage and two (2) floor monitors. Please make sure that there are at least two (2) speaker cabinets per side of the stage and preferably one (1) subwoofer per side. Thank you! ** If you have any questions in regards to sound or set up, please feel free to call Whitlee at 254-265-0808.

Merchandise

Please provide one (1) 6-8 foot table and preferably one (1) adult volunteer to help with sales. In the event of a required merchandise percentage fee, please notify Whitlee upon arrival at the venue.

Green Room

Please provide one (1) dressing room that is restricted from the general public and located close to the stage if possible. Whitlee will use this room for relaxing, dressing, prayer, etc. For green room refreshments please provide one (1) case of bottled water, fruit tray, and mixed nuts.

Food & Refreshments

Please provide food for one (1) person. Whitlee prefers not to eat prior to performance and to wait until after his performance to eat full meals. Please provide relatively simple meals for the duration of his stay. No Fast food if possible, preferably simple sandwich items. He is happy with home-cooked meals or if you would prefer to go to a restaurant; he definitely enjoys eating at and supporting locally owned restaurants. Please provide three (3) bottles of water on stage.
