The Chili Cook-Off event will be held at Rockwell's Feed, Farm, and Pet Supply on **Saturday, April 28th**.

**Set-up time will be from 9:30-10:00. We are advertising that vendors will be selling their products starting at 10:00. Chili tasting time is from 11:00-1:00.**

Please check in upon arrival. We will direct you to the designated area for vendors. If you have a canopy for your display you are welcome use it, especially in the case of questionable weather conditions. At the end of the event we ask that you remove all trash, etc. from your site and place them in the proper disposal areas.

Parking at the Cook-off Site is limited. We will direct you to an area nearby so the event area remains open.

**Most important: THANK YOU! This event is for fun!  
It is also another great way we can help pets in peril.**

**Enjoy the day!**

If you have any questions or needs on that day, there are will be volunteers to help.
