

WHO "WANTS GOD"?

Since the beginning of his governance, Donald J. Trump, a Son of GOD, has done his GOD-given job and has done it well.

Concurrently, the collapse of the Old World is now manifest in the convulsions of Satanists, male homosexuals, and the rotten from among the JEWISH PEOPLE. They are those who MUST PERISH in order for THE RIGHTEOUS to thrive. For while this HUMAN GARBAGE is afloat in the World, the NEW VIBRATION of LAW and ORDER must first delete them, and then regenerate THE WHOLE. There is no need for any zealot of the the Three Great Religions to "take arms" against these trespassers, for the NEW VIBRATION is IMPLACABLY DELETING THESE HUMANS, with the most subtle but indomitable POWER that is the same which CREATED them and sent them here in first place.

The impotence of so-called "terrorists" is manifest. They cannot do more than wipe away a few people at one fell swoop, and have been doing this INDISCRIMINATELY, suborned by those who sought to plant one Great Religion against the other two. They cannot separate the WICKED from the UPRIGHT. Whereas GOD alone CAN DIFFERENTIATE between the WICKED and UPRIGHT. Therefore one must bow to the ALMIGHTY and forbear taking arms where no arms are any longer necessary. Humanity has submitted to GOD's JUDGMENT by way of WAR for so many millenia now. They are now under COMPULSION to UNDERSTAND that GOD is now effecting JUSTICE over everyone, and that WARS are no longer either necessary or allowed. TRULY, Judgment shall be applied by FIRE and WATER but not by the FIRE of thermo-nuclear weapons or the heavy water of radiation. GOD has detonated a global "BOMB" that the wise and holy ones among Mankind have heard in their clair-audition, and that has the sweeping effects of applying GOD's JUDGMENT to everyone everywhere on Earth.

The "BOMB" that has been already detonated across the entire World, and whose effects are IRREVERSIBLE, is that of Divine Love, the fusion between the sacred symbols of the Star of David (The Messhiach) and the Svastika. The latter is also known as The Star of Life. It has been separated from the Star of The Messhiach during the Second World War, when the Nazis were made to wear an altered version of the Svastika, and the sacrificed Jews, the Star of the Messhiach. This corresponded to the undue fission or separation of the atom (which, by definition, is NOT TO BE SEVERED). The zealous and most impatient

among the Jewish People have accomplished this fission which is now compensated by the fusion of the same in the Person of The Messiach. They are those who must bear the effects of their trespass against GOD's LAW. And they know it.

Accordingly, we see the Wall Street Journal now publish an editorial that proclaims the Essential Difference between the governance of Donald Trump and that of Barack Obama, and mentions the cry of the multitude gathered in Poland in 1979 against Soviet despotism, a cry of: **"we want GOD"**. Fostered by Pope John Paul II, truly A Saint, and the total opposite to Mario Bergoglio who, along with his bedeviled "cardinals" are a A SHAME AND A DISGRACE of global proportion.

As I have demonstrated in my Book titled "The Face of GOD", these so-called Priests, same as the monks in De Sade's account of "Justine" have reached the bottom of the pit of decadence, and have managed to convert the Roman Catholic Church into A CRIMINAL ORGANIZATION – a congregation of top-ranking WICKED preying on the lowly flock of misguided enthusiasts. Their notorious and GODLESS links to the Central Intelligence Agency and the Mafia for ALL BUT GODLY purposes make them completely unworthy of anything but the strikes of JUST RETRIBUTION. Instead of looking up to GOD for guidance, these LOWLY SCUMBAGS have been consistently plotting and plotting against their fellow humans, have betrayed their Master JESUS in exchange for the POWER of the Qabbalah imparted by seeming Jewish apostates, and have indulged in every possible excess and lawlessness.

All Satanists – i.e. all men and women who have chosen "another GOD" over the ALMIGHTY and have vowed to break GOD's Supreme Law, the Law of Number, in every possible manner, have been afflicted by CANCER and shall duly disappear from this Plane of Existence within the shortest time.

Over the last 2000 years, beginning with Jesus the Son of Mary, many have proclaimed the advent of the Kingdom of Heaven, and have given testimony about the same. But there was still an amount of time left for humans to prepare. Now, the TIME has come. Prepared or not, humans must face the application of the Final Judgment that will give them LIFE or DEATH.

Every 8000 years on Earth this Judgment is made by the Holy Archangel Mikael aka The Messiach. It is immediately followed by the enactment of the same.

As of now, let it be said that those who cried out “WE WANT GOD!” back in 1979, for the most part, are no more. For the WSJ to project this cry into today’s reality is untimely or rather TOO LATE.

When GOD sends GOD’s Prophet to teach Mankind and show them the way to Salvation as well as warn them against Perdition, and what they do is IGNORE, SCORN, SPURN and DO THE VERY WORST THEY CAN against GOD’s Messenger, the cry “WE WANT GOD!” is hypocritical. It translates into: “WE WANT THIS GUY OUT, AND WE WANT MORE TIME!” but this time is not required to amend their errors but to enjoy more FREEDOM in the “Western” sense: to oppress the victims of the Jewish-rooted, INJUST Banking System, to destroy themselves and their likes, rob, rape, kill and bear FALSE TESTIMONY about the ONLY WAY in which GOD CREATED ALL THERE IS.

Mankind has done the worst they could against both Jesus and Mohammad, and the Jews have crossed Moses in every way they could, after he crossed the Red Sea along with them to save them from slavery. So what’s happening today makes no difference.

So STOP CRYING “WE WANT GOD!” when there is NOT ONE among all Mankind willing to receive GOD’s Message or GOD’s Messenger. All you care about is your SURVIVAL and this is the LEAST RESISTANCE. You don’t care about GOD who made you, you care about yourselves, and you either HATE or FEAR GOD. **There is NOT ONE among you who LOVES GOD.**

AMEN and AMEN
