"To the Pure, ALL THINGS are Pure, to the Base, ALL THINGS are Base." The Kybalion
FUTURE FIRST LADY MELANIA TRUMP is THE ONE who will MAKE AMERICA "AWESOME"
in TRUTH

Donald Trump's TRUTH is NAKED, SIMPLE and BEAUTIFUL as is HIS WOMAN in HER ART
PHOTOGRAPHY portfolio;

Ted Cruz's LIES are MULTICOLORED, TWISTED and UGLY as is HIS CHARACTER seen
through his actions, and those of his supporters.

The MAJORITY of Americans have proven to be enough MATURE, TRUTHFUL, and culturally
AWAKE to see the ESSENTIAL DIFFERENCE between BEAUTY and EROTICA, between
PUBLICITY and PROMISCUITY, which translate in the clear DISTINCTION between Mr.
Trump's TRUTHFULNESS and Mr. Cruz's disingenuousness.

At a time when AMERICA AND THE WEST are under URGENT PRESSURE to define their
CULTURAL PARADIGM BY CONTRAST with THE ISLAMIC WORLD, the appearance of the
FUTURE FIRST LADY IN THE NUDE is a POWERFUL WEAPON to ASSERT AMERICAN
FREEDOM, THE AMERICAN WOMAN THUS PICTURED AS FREE AND POWERFUL BY
CONTRAST WITH THE WOMAN OF ISLAM WHO IS ENSLAVED AND OPPRESSED.

To illustrate our above thesis of how Mrs. Trump's BEAUTY and, GRACEFULNESS added to her
OTHER QUALITIES AS A WIFE AND MOTHER are POWERFUL ASSETS to place AMERICA
AT THE HEAD of NECESSARY WORLDWIDE CHANGE, here is an extract from the movie
"Helen of Troy" showing how in Ancient Greece (Sparta) the NUDE BODY OF THE QUEEN was
a SACRED, REVERED SYMBOL OF TRUTH AND INCREASED RESPECT FOR THE KING'S
POWER.

<https://youtu.be/xP11YHTIBZQ>

Mrs. Trump thus blends the qualities of the Spartan QUEEN with those of the ROMAN
"MATRONA" - as the DISCREET wife and mother, and the woman behind the BIG STATESMAN
that she has become.

AMERICA MUST SHIFT AWAY FROM BIGOTRY AND SECTARIAN INTOLERANCE embodied
by "ultra-conservative" Ted Cruz AS IT IS BEING CONFRONTED BY ISLAM NOT ONLY ON
THE POLITICAL AND MILITARY BUT ALSO ON THE CULTURAL AND SPIRITUAL LEVEL.

There is ABSOLUTELY NO SHAME on the Trumps, and ALL SHAME ON all those hypocrites
who are pretending to make America "Awesome" by taking it back to the 17th century.

IT IS AMERICA'S DESTINY TO LEAD THE WORLD, and the change in the FIRST LADY
paradigm is both NECESSARY and WELCOME TO ASSERT ITS LEADERSHIP.
