**MICROSOFT "ABOVE" THE PRESIDENT?!**  
**THE LITTLE, SOFT "STAY!" vs. THE BIG, HARD "AWAY!"**

*"When the Foundations are destroyed, what shall the Righteous One do?"*

Psalms of David, **11, 3**

The above numbers in the Book of Psalms correspond to the Birth Number of the American Nation (**4<sup>th</sup> of July, 1776, 1121** is ultimately reduced to **113**).

As I have shown elsewhere, America has just started on a new 240-year Cycle of Existence which corresponds to The Uranian Sphere of Divine Love, the second one in the Solar System Diagram popularly known as The Tree of Life.

President Donald J. Trump is the bearer of the Vibration of Divine Love as demonstrated by his Birth Chart. With GOD's help, he secured the Presidency against all odds, and made it clear that he was going to fulfill his mission of protecting the Country and renewing it (and the World) from **inside**.

Whenever a new Cycle begins, destruction precedes the creation of new Forms of Governance (Essential Force 32). Unless the remains of the OLD are ejected, the NEW cannot blossom.

**INJUSTICE** is the TOP EVIL in America and the World today. We have just seen the American Justice System **UNABLE TO ABSTAIN from resisting CHANGE** by being blind and deaf to the UNPRECEDENTED, looking EXCLUSIVELY TOWARDS THE PAST, and NOT A BIT TOWARDS THE UNCERTAIN FUTURE OF THE NATION.

UNCERTAIN because even if its survival is guaranteed by GOD Almighty, the SIZE AND SCOPE OF THE SACRIFICE and THE EXACT CIRCUMSTANCES under which this survival shall happen are determined by human action.

GOD does not WILL the human race to become extinct, rather GOD wants it to undergo a PROFOUND TRANSFORMATION in the sense of channelling the Essential Force of DIVINE LOVE.

## The Face of GOD

---

The First Section (“THE DIVINE COMPASS”) of my Book titled “The Face of GOD” enables a FULL UNDERSTANDING of the unseen fundamentals that underlie the clash between the US President and the US Judiciary. The rulings barring the President from effectively running the Country are grounded in the mentality of the respective judges which, inadvertently, has been caught in the TRAP OF SYMMETRY not only between RIGHT and LEFT, but also between the ABOVE and BELOW. “Confusion now has made his masterpiece” as Shakespeare once said.

In Ancient Athens, the Sophists who were able to “make the weaker argument stronger” ended up **subverting** Athenian Democracy, and caused it to be eventually defeated by Sparta which adhered to its values and won the Peloponnesian War.

This is exactly what the **impeccable** reasoning of the 9<sup>th</sup> Circuit Court does. **INSTEAD OF JUDGING, IT JUSTIFIES, IT DEFENDS ITSELF** against the US President and the **INEVITABLE CHANGE** that he brings to the Country.
