

II8

“Oh God, that one might read the Book of Fate
And see the REVOLUTION of the times
Make mountains level, and the Continent
Weary of solid firmness melt itself
Into the sea. And other times to see
The beachy girdle of the Ocean
Too wide for Neptune’s hips.”
Shakespeare, Henry IV

The Book of Fate is now open for everyone to read it. It is not as glamorous as the stories of esoteric flavour that have invaded the readers’ minds over the past 20 years, all claiming to “reveal” the ultimate mysteries of human existence on Planet Earth.

And because THE NAKED TRUTH is so plain and simple, no one is paying any attention to it. Instead, the vast majority of humans focus on the unessential, the trivial, the superfluous elements that still serve to adulterate, distort and disguise BARE REALITY. As Hermetic wisdom proclaims it (“Milk for babes, meat for strong men.”), TRUTH is extremely hard to digest. Most people will shun away in horror if confronted with THE FUNDAMENTALS of their limited and transitory existence on Earth. And yet, THE TIME HAS COME FOR THE TRUTH TO BE SAID.

Let’s face it: American “democracy” such as it was planned by the Founding Fathers 240 years ago is now extinct. Its first Full Cycle (24 x 10 years) of existence has ended. Its legacy is an oligarchic compound that seeks to perpetuate itself over the Cycle that is just beginning, in sharp contrast with the ideals of freedom, justice and respect of basic human rights that have defined the Nation. Everybody can witness unprecedented law-breaking that goes on unchecked, generalised abuse of power, defiance of the rule of law, blatant corruption and shameless mass-manipulation that strives to achieve an IMPOSSIBLE slow-down of what is inevitable CHANGE of HIGHEST MAGNITUDE.

On the other hand, China and Russia, the other two super-powers, are clearly autocratic regimes that honestly show their “ugly” face without pretending to be models of “democracy”.

The European Union is currently the most democratic structure on the planet, as it affords basic protection to all its citizens. It is the synthesis of the Old World-New World confrontation and, so far, it has managed to BARELY SURVIVE the challenges fabricated by its competitors. However, this survival is also coming to an end and will collapse under the pressure of massive immigration, war and endemic degeneration of the values and morals of its population, that is shared by the “global” compound.

It is thus clear that the immediate future of Mankind is not democracy but, essentially, MONARCHIC RULE, unaccompanied by royal pomp and paraphernalia, but endowed with LEGITIMACY from Above such as few monarchic regimes nowadays (including Britain, Spain, and Denmark) possess.

At the core of LEGITIMATE monarchic regimes stands not the lone “Dictator” we see in Russia or the Vatican, but The Royal Pair (King and Queen) who perpetuate the dynasty and ensure balance by their man-woman union. The alternative for America is not whether there will be a King or a Queen at the beginning of its Monarchic Cycle of 240 years, but rather WHO is the LEGITIMATE Monarch to start with.

GENDER DYNAMICS, as we shall show, are of paramount importance in defining the future not only of the American Nation, but of Mankind as a whole, and severe gender imbalance as has emerged from the degraded sexual content exposed in recent days to try to sway the result in favour of the NOW ILLEGITIMATE Bill Clinton **(one cannot succeed to oneself) only serves to emphasize this sore predicament.**

The last 24 years of American history have epitomised the First 240-year Cycle of the Nation. They consisted of three double (8-year) presidential terms disposed as follows:

1992-2000	2000-2008	2008-2016
Bill Clinton	George W. Bush	Barack Obama
Hillary Clinton	Laura Bush	Michelle Obama

In terms of gender dynamics, one notices a PROMINENT IMBALANCE in both the Clinton and Obama couples, by stark contrast with the gender BALANCE in the Bush couple. If IMBALANCE,

synonymous with INSTABILITY is represented by 8 (Mercury and quicksilver), BALANCE is represented by II. Then the last 24-year sequence of America's First 240-year Cycle that took place under the rulership of The STARS Sphere (GOD'S WILL TO BE) of the Cosmic Tree of Life (from where the Stars on the U.S. Flag originate) is to be rendered as:

8 II 8

The re-election of Hillary and Bill Clinton as Presidential Couple would inaugurate the New 240-year Cycle of American History which is under the rulership of The URANUS Sphere (GOD'S WILL TO LOVE) of the Cosmic Tree of Life with the following sequence:

II 88

88 (72+16) represents the Uranian Force of PERSISTENCE which URANUS broadcasts to the Earth via the MOON Sphere, while **II** represents the Uranian Force of MASTERY which URANUS broadcasts to JUPITER generating HARMONY (Force 25).

A World of Difference lies between the two. PERSISTENCE exercised from the wrong end (i.e. from the END of the 240-year Cycle not the Beginning, and from Below rather than from Above) equates DESTRUCTION. Tarot Trump No. 16 – THE TOWER OF BABEL defines the futile effort of those who persist in building the House of the Lord and reach Heaven from Below instead of from Above.

Together, the Obamas and the Clintons are seeking to reproduce the End-of-Cycle Clinton-Bush-Obama scheme at the beginning of the new Cycle so as to “skip” the **II** sequence (represented in this case by the Trump couple). They are trying to enthrone, as the First American Monarch, Bill Clinton who WAS LEGITIMATE back in 1992 (in fact he is only a couple of months younger than Donald Trump so he shares the latter's strong connection with American History as shown by the synastry of their Birth Charts and the America's Independence Day Birth Chart) but is ILLEGITIMATE in 2017.

Bringing Bill Clinton from the past into the future is as much of an impossibility as reviving the dead. **AND THAT IS BECAUSE, AS WE STATED ABOVE, THE CLINTON COUPLE CANNOT BE ITS OWN SUCCESSOR IN TIME.**

The unprecedented involvement of the current presidential (Obama) couple in the election race and the juxtaposition of strong Michelle Obama to complement and boost weak Hillary Clinton are symptomatic of the **transfer of power** that the two couples have sought to effect in a vain attempt to achieve BALANCE and dupe the American electorate into “swallowing” an artificially-concocted result.

The PAST cannot be erased neither can it be miraculously projected into the FUTURE. Regardless of how many billions were spent in Hollywood and elsewhere to accredit the fallacy of “time travel”, the latter continues to be a SHEER IMPOSSIBILITY. **No magic can transform Hillary Clinton from the frail, vulnerable and humiliated Former First Lady that she was in the past into a strong future world leader. Just as Michelle Obama was the woman who has *de facto* ruled America over the past 8 years with the disastrous result anyone can witness, H.M. Bill Clinton would be the man to *de facto* rule America until his demise.**

Such a scenario is PROHIBITED, not by the Law against Perpetuities, but by THE SUPREME LAW OF THE UNIVERSE, THE LAW OF NUMBER.

In the Uranian Cycle that has begun on 4th of July 2016, America cannot be subjected to the FINAL FORCE (16) of the Cycle. The New Cycle must be inaugurated by the Force 9 (DIVINE LOVE) which is the Face of Donald’s progressed URANUS and which has led him to conquer the hearts of so many millions of Americans.

The installation of the Donald and Melania Trump couple, a GENDER BALANCED couple and a new, NOT RECYCLED one prevents the 88 sequence from manifesting, and ensures CONTINUITY THROUGH CHANGE. At the opposite pole, all efforts to the RESTAURATION of Bill Clinton are doomed to fail. The more his partisans persist in these efforts, the greater the ensuing catastrophe.

Bill Clinton was a strong, Jupiterian, plethoric man (often defined as oversexed) while Hillary Clinton at his side embodied the feeble, vulnerable, and eventually humiliated female partner. By contrast **Michelle Obama fully expressed the seductive sexual power of the black female** whose prominent curves and voluptuous features are plethoric on the feminine side, symmetrically reflexive of Bill Clinton's, while her male partner Barack Obama, as the symmetrical reflexion of Hillary Clinton, was by no means a strong masculine presence. This eventually translated into his anaemic and ineffective exercise of power during his presidency, and the destructive effect of the "undistinguished space of woman's will" channelled through him by First Lady Michelle Obama.

Let us pause for a moment and remember how the Black Female power was instrumented by the Obama Administration (it happened in New York) to topple down Dominique Strauss Kahn from the leadership of the IMF where he was "duly" replaced by a woman – Christine Lagarde.

Unlike Michelle Obama, and much like Hillary Clinton, Lagarde is arrogant and vindictive against men on account of her perceived unfair treatment by male employers or partners in her past. She does not embody female power, on the contrary she is a powerless frustrated female who wants to **usurp** male power. And so she did, DSK ended up in disgrace for having succumbed to the charms of the Black Female Goddess figure embodied by a NY hotel maid.

The same "punch in the balls" scheme that proved so successful in overthrowing DSK was recently implemented against Donald J. Trump, and while it was made to look as if it crippled his chances to win the Presidency, it clearly **failed** to cast him down. There was no actual scenario that could be enacted, and, unlike DSK, Donald did not succumb to any fascination by the Black Woman figure. So it all boiled down to lurid innuendoes and imaginative crap – not enough "meat" to cause irreparable damage.

In either case, Christine Lagarde same as Hillary Clinton lacks female force and seeks to compensate with male force so she ends up being manipulated by her male advisors, companions and so forth.

In-between the Clintons and the Obamas, the Bush couple was a classical paradigm of a strong, determined man joined with a beautiful,

graceful and intelligent woman. This same paradigm would be RENEWED by the accession of the Donald Trump – Melania Trump couple which is a BALANCED couple.

The driving force behind the Obama presidency, as has lately and clearly emerged in the attempt to recycle the above 24-year scheme by getting Hillary and Bill Clinton back into the White House, was Michelle Obama embodying the power of darkness, “the Night that never finds the day.” On the World stage, the occult exercise of this power has led to the appearance of formless “terror” which various voices in the media and in politics have fallaciously identified with a group of “outlaws” which they baptized “ISIS” – the name of the supreme Egyptian Goddess which is also **II8** the day and month when this year’s upcoming American Election is held.

Elsewhere I have pointed out how the degradation and abuse of the holy name “ISIS” is prejudicial to those who knowingly apply it to the human realm, and also how the power of the Holy Names “ISIS” and “IHVH” is interconnected. IHVH vs. ISIS, in the minds of the ignorant, is a way of restating the Biblical conflict of Israel vs. Egypt described in the Book of the Exodus. What these people ignore is that Israel has now reached THE END of its VENUS-MERCURY (Promised Land) Cycle and has just entered its MERCURY-MOON (Judgment) Cycle. Instead of seeking to RECYCLE rather than repeat the history of the Exodus, those who use the denomination ISIS ought to be mindful of the FUNDAMENTAL REALITY underlying the Sacred Name – it is the Name of the Mother of GOD, GOD Almighty, seen as “ISIS” and a Celestial Mother by the Egyptians, and as “IHVH” and Celestial Father by the Jews. Yet GOD is ONE, and a Name of GOD is a Name of GOD.

In conclusion, the Obamas like the symbiots of StarGate, the Annunakis, etc. are seeking to ensure their continuity beyond the limit of the First (STARS) Cycle of American history by transferring their power to the Clinton couple and bringing the same from the PAST onto the other side of the mirror (the FUTURE) thus fuelling confusion between THE END and THE BEGINNING, and striving to literally BRING TIME TO A STOP. Their strategy would be to shadow-rule America with Barack Obama gradually depleting older Bill Clinton of his sexual plethora, and Michelle Obama casting her excess of feminine plethora on Hillary Clinton so both could some day soon re-emerge as the Balanced and Divine Royal Pair emblematic for New America, at a

time when its people would be so crushed and brainwashed that no one would dare question their LEGITIMACY any longer.

On the other hand, Donald and Melania Trump are new figures of a New Cycle that is due to begin with DYNAMIC BALANCE such as their male-female (II) union shows rather than STATIC BALANCE or symmetry which the Clinton-Obama (88) blending stands for.

11. 8. 2016 is reduced to 11 8 9 and further on to 11 17 the exact ESSENTIAL FORCES OF CREATION marked by the astrological position of Donald Trump's natal Sun which we analysed elsewhere. Together 11, 17 and 47 form the Triple Pentagram (555) of the FORCE OF ASYMMETRY 47 (4th of July) which defines AMERICA since its birth.

Throughout the Presidential Race, Donald Trump has demonstrated an advanced MASTERY of the Essential Forces that shape his Destiny and that of his Nation.

Therefore, the TWO (II) Donald and Melania Trump cannot be stopped, cannot be defeated by the alliance of TWO TIMES TWO (X) (Hillary and Bill Clinton, Barack and Michelle Obama).

**II (11)
(The Sword of Judgment Mirror of Asymmetrical Reflexion)**

**X (10)
(The Broken Mirror of spilled quicksilver that can't endure)**

11 comes after 10, and so SUCCESSORY LEGITIMACY in every sense belongs to the Trump couple.

THE ALMIGHTY MOTHER OF GOD BLESSES THOSE WHO RESPECT HER LAW, THE LAW OF NUMBER, AND THROUGH THAT SAME LAW INFLECTS PUNISHMENT ON ALL TRANSGRESSORS.

“AS ABOVE SO BELOW”

YET

WHAT IS ABOVE IS NOT THE “SAME THING” AS THAT WHICH EXISTS BELOW

The installation of a woman as 45th American President (45 being the ESSENTIAL FORCE corresponding to the SUN SPHERE) would mean to allow a mirror of Symmetrical Reflexion to stand in front of THE FACE OF THE MOTHER OF GOD making that what is below is SAME THING as that which is above. This, in the wake of using such names as “Facebook” and “Google” to build the Mirror, is the ultimate offense that Mankind can ever think of bringing to their MAKER, and one which, for Humanity’s own sake, GOD NEVER ALLOWS.
