

Be My Desire [Eb]

Brian Campbell, Darren Poole

VERSE 1

God I've searched through all the earth I've covered mountains and the seas

Let my heart be all for you. Be my desire

When my eyes have finally gazed upon your beauty and your grace

Let me only see your face. Be my desire

PRE-CHORUS

My hope my joy Mercy has spoken over me

When my eyes have fully seen keep me ablaze within your fire

CHORUS

Jesus lover of my soul you never let me go

Lord you're the one who saves

Be the reason that I love be everything I hold

Lord you're the one who saves
