

Mama's Black Sheep

Hello Everyone, and Happy Spring!

Life here at Sheep Central has been busy as we try to acclimate back to mainland living after our Winter Tour in St. Croix. Our island time was amazing as always...and was perhaps our best year yet! Many thanks to all of our St. Croix friends, fans, and family....we are so grateful for all of you. If you missed the tour this time around, we just finished putting together our [tour photo album](#) so you can get a glimpse at our time on the island.

We are also busy preparing for our upcoming annual SIRENS OF SPRING Tour with [Christine Havrilla](#) and special guests [Sweet Leda](#) and [Naked Blue](#)! This year, as venues are still reopening, and many places still have covid restrictions in place, we could not do the tour on the scale we are used to. So we have put together SIRENS OF SPRING "Light"! This lighter version of the tour will include a few live performances, and a number of online streaming events. You can see the full schedule below and learn more on the [SIRENS OF SPRING website](#).

As we move further into spring and summer we will be playing only outdoor events, with the one exception of our beloved POND in Rehoboth which will be opening in it's new Rt.1 location in just a few days. Our first shows back at [The Pond](#) will be on May 14th (Laura's Birthday) & 15th. The new space is amazing, and we can't wait to see our Rehoboth peeps there! We hope you are all enjoying the sunshine, getting outdoors, and watching as mother nature wakes up the earth for another beautiful spring.

Stay safe, be well, and we hope to see y'all soon!!!
