

Mama's Black Sheep

Hello Everyone!

It's been a while since our last message. We hope this one finds you doing well, staying healthy, and enjoying the beginning of the new year. As many of you know, we are currently in St. Croix, USVI in the midst of our Annual Winter Tour here. It has been great to be back out and playing live for people and we are feeling pretty safe here on the island where the COVID rates are low, everything is outdoors, and people are very respectful about masks and social distancing. We are just about half way through the tour, but still have many shows to go. For our island friends/fans, we hope to get a chance to see you while we're here.

For our mainland friends/fans, we wanted to let you know about a special live stream show we'll be doing TONIGHT (Feb 5th)!!!! This is a live stream event raising funds for the Caribbean Museum Center for the Arts. Virtual tickets are just \$15 and it will give you digital access to the entire show (three sets of music over several hours). The live stream will begin around 5:30pm Eastern Time (6:30pm here on the island). To purchase the \$15 ticket and access the live stream [CLICK HERE](#).
