

Mama's Black Sheep

Hello Everyone,

Happy 2019! We hope you all enjoyed the Holidays and had some time doing the things you love to do with the people who mean the most to you. Many thanks to those of you who rang in the New Year with us in OBX...it was a fun night, and we were glad to see y'all there! Here at Sheep Central we are gearing up for our Annual Winter Tour to St. Croix, USVI! This will be our longest winter tour yet (nearly 7 weeks), and we can't wait to be back on island. But first, we've got a few more opportunities for you to catch a show in VA or DE. We hope to see lots of our MD/DE/VA peeps in the next two weeks so we can hug you one more time before we leave. See all the show details below.

We wanted to thank the many who have purchased hard copy and/or downloads of our new CD "The Sheep Save Christmas". The response to this recording has been overwhelming, and we are so humbled and grateful for your feedback. If you still don't have a copy, you can purchase download or hard copy [HERE](#). Thanks so much for the support!

Our schedule is already filling in for 2019, and for those who like to plan ahead for beach time and vacations, we created the [BAA VOYAGE](#) page just for you! You can see our entire 2019 schedules for Rehoboth Beach, OBX, St. Croix, and other "destination locations" that we play during the year. The page is updated as we confirm venues, so feel free to check back often as things are added frequently.

Social media users/junkies...just wanted to let you know how much we appreciate all of your posts, shares, photos, videos, and for helping spread our music to the music lovers in your life. As independent artists, social media and social media users play a key role in our ability to promote ourselves effectively and to reach a wider audience, so thank you so much! Side note: we have been a little behind in posting videos on our YouTube channel, but wanted to let you know our version of "Dock of the Bay" from our Live @ The Bevy DVD/CD is now up and available for viewing. Click [HERE](#) to check it out! Not sure where to find/connect with us online? We have conveniently placed clickable links to Facebook, Twitter, Instagram, Reverb Nation, You Tube, CD Baby, Apple Music, Spotify, and Sound Cloud right at the top of our [HOME PAGE](#).

As we enter this New Year, we wish you all health, happiness, and love. We are so grateful for the opportunity to share our music with you, and look forward to another year of "taking music to the people". Happy New Year y'all....we hope to see you soon.
