

Mama's Black Sheep

Hello Everyone!

We can hardly believe it's September. As summer comes to a close, we are looking forward to the beginning of fall, the loveliest season in the Mid-Atlantic (in our woolly opinions!). We continue to schedule some in-person outdoor shows as well as more virtual performances. See details below for some upcoming events. We have also been booking a number of private outdoor events. If you're interested in having us play a house concert on your deck, for your block party, for your backyard BBQ, or other outdoor event, please feel free to message us directly at mamasblacksheep@gmail.com.

We have a new order of Mama's Black Sheep face masks on the way! If you've been looking for a comfortable washable/reusable cloth mask you can get yours soon at a live show, or online through our [SHEEP SHOP](#) (they will be posted online once we receive them)!

We want to say THANK YOU again to our amazing 'flock'. Your donations via our [Virtual Tip Jar](#) and in the tip bucket at shows have really been helping to sustain us, and we are so very appreciative. Being full-time touring musicians, the past 6 months have been a drastic change to our lifestyle and income level....but we are getting by, and that is largely due to our incredible network of friends, fans, and family who have really shown up for us. 'Thank you' seems so inadequate, but we truly mean it, and we are humbled by the support and kindness you have shown us during this challenging time.

Please stay safe and be well. We look forward to seeing y'all in person or online sometime soon!

With gratitude,

Ashland & Laura
