

Mama's Black Sheep

Hello Everyone!

It's hard to believe it's nearly February already. We are in the midst of our annual Winter Tour in St. Croix USVI. It is beautiful here both in scenery and spirit, and although Irma & Maria caused some serious damage, we are thrilled to see the recovery process so far along already, and that life for a majority of the island seems to be getting back to normal. Our social media presence has been a little lighter than most years mainly because internet access is still a little hard to come by on the island. But rest assured, we will continue to post photos and videos when we can. We've created the [MBS Winter Tour Album on facebook](#) for your viewing pleasure. If you are here on island with us, please feel free to share your photos and videos from shows and be sure to tag us or use the hashtag #MBSWinterTour so we can find your pics! Thanks so much.

We have listed the remaining shows in the winter tour below and hope to see many of our island friends, fans and family throughout February.

Once the Winter Tour Ends....guess what's coming up???? That's right, the [SIRENS OF SPRING TOUR 6](#) will be kicking off on April 18th and runs through May 19th. This annual co-bill tour with our dear friend [Christine Havrilla](#) is something we always look forward to, and this year is bigger and better than ever! We are still working on confirming the full schedule and all of our special guests, but info can be found on the [SOS website](#) as it evolves.

Once we arrive home from St. Croix we will have almost two weeks off to catch our collective breath and complete preparations for the Spring tour, then we will start back on St. Patty's Day with a month of mostly local/regional shows to catch up with everyone that we have missed seeing all winter!

We hope January has treated you well, and we look forward to another month in the sun here in St. Croix.

We hope to see y'all soon....

-Ashland & Laura
