Working at Expected Standard	94%	79%

Writing	School	National Average
Working at Expected Standard	95%	78%

Science	School	National Average
Working at Expected Standard	94%	83%

Primary (key stage 2) performance in 2019

These un-validated figures tell you about performance of pupils at this school at key stage 2 (school years 3 to 6), which are the last four years of the primary phase of education. The validated figures will be published in December 2019 and relate to pupils who completed key stage 2 in the summer of 2019.

Progress in reading, writing and maths

These scores show how much progress pupils at this school made in reading, writing and maths between the end of key stage 1 and the end of key stage 2 compared to pupils across England who got similar results at the end of key stage 2.

The scores are calculated by comparing the key stage 2 test and assessment results of pupils at this school with the results of pupils in schools across England who started with similar assessment results at the end of the previous key stage – key stage 1.

A score above zero means pupils made more progress, on average, than pupils across England who got similar results at the end of key stage 1.

A score below zero means pupils made less progress, on average, than pupils across England who got similar results at the end of key stage 1.

A negative progress score does not mean pupils made no progress, or the school has failed, rather it means pupils in the school made less progress than other pupils across England with similar results at the end of key stage 1.

The majority of schools have progress scores between -5 and +5.

	Reading	Writing	Maths
School progress score	DATA NOT	YET	AVAILABLE
Norfolk average (local authority)	DATA NOT YET AVA		

The chart below shows how this school's progress scores compared with the England and local authority averages. The England average is based on state-funded mainstream schools in England.

Percentage of pupils meeting the expected standard in reading, writing and maths

	School	Local authority average	England average
Percentage of pupils meeting the expected standard in reading, writing and maths	94.4%	59%	64.9%

Percentage of pupils achieving at a higher standard in reading, writing, maths

Pupils are 'achieving at a higher standard' if they achieve a 'scaled score' of 110 or more in their reading and maths tests, and their teacher assesses them as 'working at a greater depth within the expected standard' in writing. This standard was set for the first time in 2018 by the Department for Education to provide information about pupils across England achieving in the top 5%.

	School	Local authority average	England average
Percentage of pupils achieving at a higher standard in reading, writing and maths	5.6%	7.1%	10.5%

Average score in reading

This score is known as the reading 'scaled score'. The score is an average for pupils in the school. The expected standard is a score of 100 or more. The higher standard is 110 or more. For a more detailed explanation, see [Scaled scores at key stage 2](#) and [Primary school accountability](#).

	School	Local authority average	England average
Average score in reading	107.4	103.3	104.4

Average score in maths

This score is known as the maths 'scaled score'. The score is an average for pupils in the school. The expected standard is a score of 100 or more.

	School	Local authority average	England average
Average score in maths	105.8	103.7	105
