

# I THINK IT COULD BE POSSIBLE

*\*If you are playing along with me, tune or transpose down a semitone - that's the way I play it!*

G

Do you think do you think it could be possible?

G

Do you think it really really could be possible?

C

All of us together can change the way the world works  
(All of us together can change the way the world works!)

G

You and me together will change the way the world works  
(You and me together will change the way the world works!)

G

Oh I been thinking 'bout you

G

how you, you are just like me

C

Am

G

so why do they treat, treat you so differently, so differently....

G

We've grown up being told a load of lies  
(We've grown up being told a load of lies)

G

How to be scared and how to close our eyes  
(How to be scared and how to close our eyes)

C

We have been led by villains and fools  
(We have been led by villains and fools)

G

It's time to leave 'em behind there is work to do!  
(Leave 'em behind there is work to do!)

D

and we'll do it all with a smile on our face,

C

let the ego die and the heart take its place, let the ego die and the heart

take it's place yeah!

G

Do you think do you think it could be possible?  
(Yes I think, I think it could be possible!)

G

Do you think it really really could be possible?  
(Yes I think it really could be possible!)

C

All of us together can change the way the world works  
(All of us together can change the way the world works!)

G

You and me together will change the way the world works!  
(You and me together will change the way the world works!)

C

Ever wonder why they keep trying to say that it's all ok when there's so  
G

much we must change, so much we gotta change

C

I've finally woken up and it feels so good to have understood we're all

G

in this together, all in this together, one family together, one family together

G

Oh there's been so much pain

G

Sometimes I don't think that we can change

G

So I guess, I guess it isn't possible

(Yes it is! Of course a change is possible!)

G

but they're always saying, saying it isn't possible

(Yes it is! Of course a change is possible!)

C

(All of us together can change the way the world works!)

All of us together can change the way the world works!

G

(You and me together will change the way the world works!)

You and me together will change the way the world works!

D

We'll do it all with a smile on our face,

C

let the ego die and the heart take its place, the ego die and the heart take its place yeah!

G

Do you think do you think it could be possible?

(Yes I think, I think it could be possible!)

G

Do you think it really really could be possible?

G

Yes I think, it think it could be possible!

G

Yes I think, I think it could be possible!

G

Yes I think, I think it could be possible!
