

Many are gifted with a talent for music. But there are some who have been anointed from birth to sing God's praises. One of those blessed individuals is Charlin Neal. With a throat made of gold and a passion for God, this young woman is set to release a new sound to the body of Christ. Her exceptional vocal skills have made the Gospel music industry sit up and take notice, placing her in the company of the greats of Gospel and Christian music including Jonathan McReynolds, Jason Nelson, Chris Tomlin, Gungor, Ricardo Sanchez, Lucia Parker, and BJ Putnam. Since 2007, she's best known as a member of the multiple award-winning ensemble Israel & New Breed. Now this songstress has stepped from the shadows into the spotlight as she introduced her debut recording, an EP entitled *More Of You* on April 1st, 2016.

Just in time for the Holiday season, Charlin hit the stage again with another EP that dropped December 9th, 2016, entitled *Lamb Of God!* Although some may say that she flaunts a sultry sound and piercing tone similar to Yolanda Adams and mid-tempo rhythms comparable to BeBe and CeCe Winans, she is forging a sound that's truly her own. She says, "My lyrics are simple love songs to our Father, and Him speaking directly to us. I feel that these lyrics are exactly what the world needs to hear today. I pray it touches the heart of someone who has never heard of the name Jesus Christ. I pray that lives would be changed dramatically, hearts would be so vulnerable that God can intervene and heal, restore, renew, use, and strengthen, ultimately with souls drawn to Christ. That is "My Prayer and desire."

A Bakersfield, Californian native and one of ten children, Charlin was born to a singer and musician. She grew up surrounded by tasteful music and pristine musical gifts, amongst her talented siblings. She began honing her craft at the tender age of 12, singing in her local church youth and evangelical choirs, where she served as one of the lead vocalists for both choirs. Her professional music career started at the age of 14, when she was given the opportunity to sing background for 90's Christian artist Carmen. She recounts, "I can remember clearly at nine years old,

all I desired to do was sing. I did not understand the calling on my life until I was in my early 20's. All I knew was that I loved music and thought how cool it could be if I could sing background for people for a living," states Charlin.

Since then, Charlin has sung background for many including Pop Sensation Leona Lewis, Karen Clark Sheard, Todd Galberth, Daniel Johnson, Beverly Crawford, Michael W. Smith, Shervonne Wells, Crystal Aikin, Crystal Rucker and has opened for Mary Mary, Marvin Sapp, Tonex, Lee Williams and The Spiritual QC's, and Martha Munizzi.

In 2007, a 22 year- old Charlin was asked to be a part of Gospel/ Christian group Israel Houghton and New Breed. She said yes and has never looked back. For the past 5 years, she has served as the Vocal Director. Numerous doors have opened for Charlin as a result of joining this amazing group of people. She credits the family, and leadership of Israel Houghton and Meleasa Houghton as being a significant influence in her life musically and spiritually. In February 2008, Charlin along with her New Breed family were afforded the opportunity to perform at the GRAMMY Awards where she shared the stage with musical icons Aretha Franklin, BeBe Winans, The Clark Sisters and Trin-i-tee 5:7. The opportunity almost left Charlin speechless. "What an experience, to say the least," says Charlin. "I was in shock to even be able to be apart."

For the past several years, Charlin has toured with Israel and New Breed. She performed on their popular album New Breed Live: Generation Love on which she sang "We Must Tell It", "Love Medley", and "We Must Tell It (Reprise)". Her voice can be heard on the album Love God, Love People where she performed background soprano vocals on tracks "Yahweh (The Lifter)", "You Hold My World", and "Hosanna". She was also blessed to sing on Jesus At the Center Live where she ministered lead vocals on "Church Medley" and on Alive in Asia where she was featured on the worship tune "First Loved Me". In addition, while in New Breed, she toured with Chris Tomlin, Kierra Sheard, I'm In Love With A Church Girl Movie Tour, Jason Nelson,

Rapper T-Bone, Ja-Rule, Adrienne Houghton, Stephen Baldwin, Galley Molina and Michael Rivera.

Her powerful soprano has afforded her the opportunity to share on recordings with other artists as well including Jason Nelson, Pastor Hart Ramsey & The NCC Choir, Michael Gungor, L. Spencer Smith, BJ Putnam, Daniel Johnson, Jason White, and other notable artists. She states, "It has been such an amazing journey; I do not take it for granted. I know God has more for me to do, and I am ready for the challenge. I have been so fortunate to meet such beautiful people along the way."

Charlin has tapped into her gifts as a Vocal Producer, Vocal Clinician, and Vocal Coach. She was afforded the opportunity to vocal produce the latest Grammy award winning project of Israel and New Breed entitled Covered: Alive In Asia. Since then, she has produced vocals for renowned worship leader BJ Putnam's live album, Love Like Fire; Latin sensation Lucia Parker's singles Right Now and Oh The Blood of Jesus (both English and Spanish); Latin Singer Alma Rivera's single Great God; Caribbean artist Trinidad's Gates Praise Album The Blood, Multi-tracks "The Recording Collective" Gospel Vol. 1 Born Is the King and Gospel Vol. 2 Every Praise; and Ricardo Sanchez Taste & See Live. She also produced vocals for Singapore church choir Cornerstone Community Church and another Multi-tracks EP which hit the fall 2018. Charlin also has quite the schedule as a vocal coach with several singers as clients and traveling as she has conducted vocal clinics and worship nights in Thailand, Singapore, Trinidad, Canada, Virginia, and California.

Her first single release was a cover tune of "Somebody Bigger Than You and I", a song she released on Christmas Day of 2015. Known as a classic, the holiday track has been performed by Mahalia Jackson, Elvis Presley and many others. She released another Christmas song as well, this time with her family. The song, "Merry Christmas, A Moore Family Christmas Carol", was inspired by the family's ritual of calling family

and friends every Christmas and singing the Merry Christmas Carol to them. Her family decided to record it and share it with the world.

Charlin Neal, a wife, mother of two, and a lover of music, has been raised up for such a time as this. Her unique vocal gifting has enabled her to travel abroad, spreading God's love to the world through song. It's clearly just the beginning for this gifted songbird.
