

**Take this Love from Me**

Oh wont you take  
This love from me  
Before it breaks  
My sanity

I've been down before and  
I'll be down again  
I've got no reason to pretend  
You wanted someone to  
love you back but  
We both knew that I couldn't  
do that

Oh wont you take  
This love from me  
Before it breaks  
My sanity

Now I'm getting good at  
Letting go  
Its how you stay on  
Top when you're low  
I wanted something to  
Call my own but  
You reminded me I have  
Places to go

Oh wont you take  
This love from me  
Before it breaks  
My sanity
