

Big Big Heart

Oh Mama I'm home,
But soon I gotta go.
I'm in love with the road,
And that's a hard thing to be.
Someday I'll be back,
And I'll be a man,
Will you still be proud
Of your little baby?

You can have it all when I leave

Since since you saw me last,
I'm not the same man,
That I used to be,
And you used to know.
I'm an albatross
The ocean is mine to cross
I'm an arctic tern
I've got a world to learn.

I can be your bed strange lover
I can be your best loved ranger

You've got a big big heart
And that's the hardest part
When I look in your eyes
You know I've never seen a lie.
These little fingers
Pushing steel to wood
Will soon be healed
Whether I stay or go.
So I'm a tumbleweed
That's the way it's gotta be
I don't need no roots
I'd rather blow in the breeze
So when the ground runs dry
It won't be me who cries
I wouldn't whither and die
You know I wouldn't think twice
You've got a big big heart
And that's the hardest part
When I look in your eyes
You know I've never seen a lie.
These little fingers
Pushing steel to wood
Will soon be healed
Whether I stay or go.

I can be your bed strange lover
I can be your best loved ranger
