

## Maximum Country Music...

Stealin' the deal marks over six years as mainstays of solid traditional country music in the Northern Virginia / DC / Maryland area. Boasting a lineup of veteran musicians with decades of performing under their respective belt buckles, the band enjoys a busy schedule within the DC area and never fails to electrify a crowd. Drawing on inspiration from the country greats like Hank Williams, Merle Haggard, Johnny Cash, and Waylon Jennings, Stealin' the Deal melds this tradition with Western Swing legends like Bob Wills and the Texas Playboys, and a straight up Rockabilly sensibility likened to BR-549. This unique blend of country styles makes Stealin' the Deal a unique band in the DC area and has been known to keep a packed dance floor on one or two occasions!
