You hold the world in the palm of your hands
I still remember the day I gave you life
Now you stand tall light of my life
I would reach the stars for you out in the sky so you can fly
I'll reach into the sun to bring you love to bring you light
I sing for you every day you are strong you are wise
I hope you know that there ain't nothing in this world that can hold you back
Just wanna fulfill all your needs....
