DESCRIPTION , PROGRAM CATEGORY AND CLUB BENEFIT Club Rental of Newmans Arena for Agility

The Club has an opportunity to rent the Newman arena on a trial basis. We would be able to practice agility on Tuesdays and Thursdays, 6 pm to 8pm.

Carol has recommended that it would be beneficial to the club and the Newmans if we start slowly. In order to not overwhelm the Newmans we would like to limit it to only club members and we would not offer any classes. However, if help is needed we will provide assistance.

The cost for club members to participate will be \$30.00 per month. We propose the money raised will go towards the purchase of agility equipment, (practice and/or trial).

We are requesting this amount for 3 months. At the end of that time, we will re-evaluate.

Practice times will be scheduled, beginner, intermediate and handling. Cathy Mason is letting us use her agility equipment, in return for practice time. Her equipment will be stored at the Newman arena. We ask club members to help with setup and tear down. The rules for equipment use will remain the same as what we currently have. For instance, if you've not taken a class to learn a piece of equipment then you can not use it. This is a safety issue for both dog and handler.

\$300 * 3 = \$900.00, total cost for the club

We estimate 12 club members, paying \$30.00 per month. For a total of \$360.00 per month. With a grandtotal of \$1,080.00 for the three month period that would be raised for agility equipment.

If we do not have enough club members, we will open practice up to non -club members at a cost of \$50.00.
