

# CHANGING LANES

## CHANGING LANES STAGE PLOT

Tech Contact Pat – 732-272-5340

Summary: 4 Vocals, 2 Guitars, Keyboard, Synth, Bass, and Drums

We Have a 16 Channel mixer rack for in-ear monitors and wireless mics. We use a snake splitter and send tail ends to the house snake, but however you prefer to run it is fine. We're also cool with house wedges so whatever works - we're easy going.

### Members:

**Pat** – Lead Vocal/Guitar (CENTER)  
**Ben** – Bass/Vocals (STAGE RIGHT)  
**Matt** – Guitar/Vocals (STAGE LEFT)  
**Chris** – Keyboard/Vocal (EITHER)  
**Jules** – Drums

### Gear:

In-Ear Rack: Run All Inputs into our Snake Split rack and take tail ends to House Snake.
