So You can sing and I can sing, so let's all sing to-geth-er,

Lift your voice and pass the song a-long.

Sing your joy,
sing your love, and we can sing for-e-ver, Lift your voice and

pass the song a-long,

Lift your voice and pass the song a-long.

Lift your voice and pass the song a-long now.

Lift your voice and pass the song a-long.
