

Apple of His Eye

Words by **Sathiya Sam**, Music by **Marcel Preston, Sathiya Sam**

Verse 1:

A C#m F#m D
I lived my life, searching for a chance
To be adored, just for who I am
Covered up who I truly was, afraid I'd come up short
My orphan heart was crying out for greater love yet known

Pre-Chorus:

A/C# D Esus E
Finally I've realized
I'm the apple of His eye

Chorus 1:

A C#m
It's a new day, it's a new life,
F#m D
I'm perfect just the way I am
My identity is securely in,
The apple of His eye
A C#m F#m D
I'm the apple of His eye

Verse 2:

The world awaits a rising of its sons
Who live each day in their Father's love
It's time to hollow out the orphan, open up the door to the Father's chosen
And watch His love invade

Bridge:

A C#m
Calling all sons and daughters,
F#m D
Meet Your Heavenly Father
A E
Look into His eyes
F#m D
And see yourself
