Intro: F Csus Gm7 Csus

Verse 1:

F Csus
It's a story of love, that came down,
Gm Csus
Through a God who took on flesh, born a helpless babe
And that God who came down, lived a flawless life,
Yet was sacrificed to take away our sin

Pre-Chorus:

Gm F/A B^b C
But to know of You is not enough to satisfy my soul
I long for something so much more that inside will make me whole

CHORUS:

F Gm
I wanna go deeper into Your heart, deeper in Your presence
B^b C
Into a world of power and wonder
I wanna go deeper into Your heart, deeper into Your presence
Draw me near, hold me close,

Take me deeper
