"Drinks and Dreams," opens with a hard-driving guitar riff, and catchy lyric which sings about always chasing your dreams and not letting anything, or anyone, stop you from going after whatever that is. It's also about accepting the consequences of being honest."

"Drinks and Dreams" was produced by DJ KO for Phivestarr Productions, and written by Charlie Farley, DJ KO and, Jason Helms and Josh O'Neal.

"Feelin' Like I Love It," is a playful, carefree tune about a moment in time when you meet someone and you don't know what you're feeling, but it's great," said Farley. "You want to bottle that feeling and keep it forever." Produced by J. Sciuolo for Phivestarr Productions, Charlie Farley, Jason Helms wrote "Feelin' Like I Love It."
