

## An Open Wound

Well my thoughts might be a little vague  
But my heart is in the right place  
I don't why you try to run me through

But I won't surrender to an open wound  
No I won't surrender to an open wound

You can try to call me all night long  
But I just turned off the phone  
I don't know why you think I'll talk to you

'cause I won't surrender to an open wound  
No I won't surrender to an open wound

Turn on the lights  
Wake up the night  
I'll listen to my failures  
Over and over and over and over again  
And Over and over and over and over again  
and over and over and over again

I saw the lie and you told me off  
You just found the line to cross  
But I don't know just why you wanted to

But I won't surrender to an open wound  
No I won't surrender to an open wound

No I won't surrender to an open wound  
No I won't surrender to an open wound  
No I won't surrender to just any who
