

Love's Alive

tonight i'm pouring out my heart
if you never dream you'll never leave the start
time looking backwards in your mind
turning round & round & round for a final time

you got me through
spending time with you
love's alive, i hope you feel it too

i'm looking up at a daylight moon
shining brighter & softer 'cause i'm close to you
we're stuck here trying to call home
there's no telling of the places where we shall roam

you got me through
spending time with you
love's alive, i hope you feel it too

no one said it's easier to try
but i want you back tonight
yes, i want you back tonight

all the noise outside, i can't sleep
i don't mind staying up when you're here with me

you got me through
spending time with you
love's alive, i hope you feel it too
