

COMPLICATION

everyone's got a complication
they keep hangin' around
and try to warn you of themselves
i really don't wanna to hear it
you can tell someone else
i'm sendin' offerings to the crowd

i wish you a long and happy life
i wish you a long and happy life
so don't tell me, no, don't tell me
so don't tell me, no, don't tell me
don't tell me how we're losin' time

wish i could give ya what you needed
it's not always around
i see you lookin' on the ground
try to keep the fire burnin'
light the heart of the town
so many people to be found

i wish you a long and happy life
i wish you a long and happy life
so don't tell me, no, don't tell me
so don't tell me, no, don't tell me
don't tell me how we're losin' time

tiny footsteps down the road
when you thought you'd never know
till the beauty starts to show

i wish you a long and happy life
i wish you a long and happy life
so don't tell me, no, don't tell me
so don't tell me, no, don't tell me
don't tell me how we're losin' time

so don't tell me, no, don't tell me
so don't tell me, no, don't tell me
don't tell me how we're losin' time

everyone's got a complication
you can tell someone else
i'm sendin' offerings to the crowd
