

I'M NOT LETTING GO

like a lost boy far from home
i've got something
i'm not letting go

you're the window to my soul
that i jumped out
i'm not letting go
i'm not letting go

moving faster as i fall
i don't panic, i'm well above them all
past the barrier to the wall
close my eyes, crash through, and now it's on
i'm not letting go
i'm not letting go

send a message saying i was here
and tell her that i hold her dear
i hold her dear

i'm not letting go
i'm not letting go

it's the new year of the ghost
it's dark out
i'm not letting go

hear the beauty mean the most
i've got something
i'm not letting go
i'm not letting go

so i'm singin' back to home
i'm still dreamin'
i'm not letting go

will i get there? gonna be close
still i'm thinkin'
i'm not letting go

i'm not letting go
i'm not letting go

i'm movin' on, i'm movin' out
i'm movin' on, i'm movin' out

send a message saying i was here
and tell her that i hold her dear
i hold her dear

i'm not letting go
i'm not letting go
i'm not letting go
i'm not no, no, no
