

What You See In Me

You wear me out when I try to fit in
I don't doubt that you're playin' to win
Tell me baby, there's nothin' to see
I don't know what you see in me

We fight all night and we sleep all day
I don't know why we live this way
Tell me baby, if you want me to leave
I don't know what you see in me

You want me to confess
I'm tired and I need my rest

The sky falls down and you call it fate
I don't know if I wanna wait
Are we fallin' or just in need?
I don't know what you see in me

You want me to confess
I'm tired and I need my rest

Still don't know what you see in me
Won't you tell me what you see in me
