

#### 4. On This Board

They say the CEO is bright on this board  
They say there's always money in the bank  
But when you're looking for the cash  
You may just break out in a rash  
The numbers suck and we've got them to thank

Nah nah nah nah nah nah nah

They say the members treat you right on this board  
But looking at them just gives me the blues  
And how ya gonna move the stock  
When institutions are in shock  
They make me crazy, now I need some booze

They say that I won't last too long on this board  
I'll fly Air Canada for home they all say  
But they're dead wrong, I just don't care  
Those other guys ain't got a prayer  
And I won't quit till I'm the chair on this board

Nah nah nah nah nah nah nah (repeat)
