Sponsorship Information

One of the goals of the Appalachian South Folklife Center is to reach out to local communities and inspire and create change that leaves a mark on future generations. By Sponsoring our Camp Constance Program you are helping local youth to become better leaders and community members. We particularly seek to help youth in areas where there is limited funding for extra-curricular educational programs, and whose families may not be able to afford (or even consider) sending their children to camp.

Our fee is \$275 per camper. This fee includes costs for enrichment programs, activities, staffing, food, and other expenses. This is an All-inclusive fee for an entire week of camp for one camper.

In Sponsoring all or a portion of a camper fee, you are ensuring that a young girl from your neighborhood can enjoy an enriching and fulfilling experience at Camp Constance. You are offering so much more than money, you are helping to create lasting memories that our campers will carry in their hearts for years to come. You are helping to inspire our youth to take charge and find their voices, as they are the voices of the leaders of tomorrow.

The Appalachian South Folklife Center sincerely appreciates your participation in this Program. If you are unable to show support through sponsorship, please also consider donating Art and Craft Supplies, Toilet Paper and Paper Towels, or other necessary materials. If you have any questions regarding donations, please contact us!
