

### **Special Members Update**

Following the direction on Sunday 22<sup>nd</sup> March, the Mullumbimby Ex Services and Bowling Clubs will close for normal trade until further notice from 12pm Monday 23rd March.

Both our food offerings Societa (Ex Services) and Son Of A Taco (Bowling Club) will also close until further notice.

The COVID 19 virus is a serious public health issue. We are determined to play our part in protecting our staff, members and community.

I would like to thank the professionalism and dedication of our staff throughout the last week, with laws changing almost every second day, they have not waived from providing outstanding service while adapting to the changes implemented. This made the following decisions difficult.

All casual staff have been stood down along with most permanent staff also being stood down, although permanent staff have been encouraged to take paid leave. Skeleton staff are onsite now preparing the Club for shut down until we are allowed to reopen.

In the interim the Club will be offering takeaway and home delivery alcohol services. You can purchase your goods at the Club daily from 10am until 3pm. Please remember you must take any drinks purchased from the Club immediately for consumption at home. Should you wish to arrange a home delivery please contact the club 6684 2533 or 0456 777 415 to arrange.

We also ask that you please refrain from visiting the Club to purchase takeaway if you have returned from overseas travel or been in contact with others who have returned from overseas travel and are in self-isolation. All persons whose place of employment, education or socialisation has been closed due to a confirmed case of Covid-19 are not to enter the Club.

All persons who experience or show signs of flu like symptoms are not to enter the Club. These symptoms may include fever, cough, sore throat, tiredness or shortness of breath.

I would like to thank our loyal members for your support. We ask members to be patient as we all work through this crisis. We intend on coming back bigger and better in our service to you.

Please stay safe.
