

The Brothers Blue Stage Plot

What we will need:

- 6 XLR channels; 3 with 48v phantom power
- At least one stage monitor

What we have:

- Vocal condenser mic requiring phantom power
- 2 instrument condenser mics requiring phantom power: fiddle (clip on) & mandolin
- 1 guitar DI box with XLR DO
- 1 bass preamp with XLR DO
- 1 banjo preamp with XLR DO
- All necessary cables from source to snake

Charlie
Fiddle/Mandolin

Matt
Guitar

Ben
Banjo

<- Mandolin condenser mic

Bass

Vocal condenser mic

*If we are providing sound, all we need is a secure 110v power source located near the stage – otherwise the show will be acoustic!
