Her performances on 11 languages decorate the most prestigious events around the world, such as sport Europe Championships, International Forums under the patronage of Pierre Cardin, Royalty, Imperial, Political, Financial and Court Balls, New Year's Gala Concerts in Europe, World Economic Forums, special events for Hollywood Stars and Arab Sheiks, Presidents Inaugurations.

### From Past to Present

Evgenia got education in the State Federal-Funded Educational Institution of Higher Professional Training "Russian State Institute of Theatre Arts GITIS" by profession actress of musical theatre after which she worked in the theatre "Moscow Operetta" and on the stage of the Vakhtangov State Academic Theatre of Russia. For a long period the singer adhered to the very classical genre performing the main roles in the operetta (in total more than 1000 performance on the big theatre stage):

In some time the singer outgrew the frameworks of one theatre genre and Evgenia began to shy further away from the classical academic standard pervading her art with various notes of the modern musical directions. Solo career on the biggest musical stages of the country (Grand Kremlin Palace, Conservatory of P.I. Chaikovsky, Council Hall of Cathedral of Christ the Saviour, Central Public Concert Hall "Rossia") became a new round in the singer's art.

Soon there were new achievements and victories. The singer became extraordinary popular at international festive events all around the world. Performances of Laguna successfully took place in USA, France, Great Britain, Belgium, Germany, Denmark, Sweden, Latin America, Nicaragua, Finland, Israel, UAE, Tunis, Lithuania, Switzerland, Hungary, Slovakia, Italy:

The singer's compositions started to be issued by the biggest musical world labels (EMI, Feel Music, Universal Music) in joint compilations with other world artists (Vanessa Mae, Sarah Brightman, Charlotte Church, Kiri Te Kanawa, Donna Summer, Ernesto Kortazar, Sisseli). So, the bestseller became the solo disc of Evgenia issued by the Universal Music company in the South Korea:

For experts of true vocal it should be noted that the vocal range of Evgenia Laguna is over five octaves. Her unique vocal control lets Evgenia Laguna sing within the widest vocal range from the lowest contralto to the highest soprano. Exactly this allows the singer to perform the famous aria of the Plava Laguna from the movie of Luc Besson "The Fifth Element":

# Through the eyes of spectators

“Any appearance of Evgenia Laguna on the stage promotes unforgettable experience. She acts as a magnet to attract views of all the spectators with no exception. And this should come as no surprise. Her plastique, unlimited charm and rare unforgettable voice charm from the first moment, and the beauty and grace of the singer cannot leave cold any of the spectators.”

“When Evgenia starts singing it feels like it is unearthly voice. That sky itself is singing by her voice thus finely and expressively Laguna presents every tiny nuance of the performed musical compositions.”

“Especial charm in the performance of Laguna is added by the unusual timbre and soul of her unforgettable voice. It is absolutely different from the traditional classical singing. Although in her repertoire there are sometimes classical arias, it seems that the music didn't come from past centuries but is heard from the far beautiful future.”

## Laguna's Music

Laguna sings on something unseen but perceptible by the heart: tenderness, joy, happiness, faith, hope, love, wisdom...

- In Laguna's music every person can see his own sense and individual characters.
- Laguna's art awakens creative powers of a person and is to highlight the personal individuality.
- The singer's compositions are like air in the environment of closed urban space giving power and creative awakening.
- Each note of the singer's voice are echoes of parallel and contradictory worlds and phenomena – not bad, not good but different...

The basic of her program is the principle of spiritual purity, happy love which illuminates with inexplicable light any woman's heart. Each composition performed by her relates to the best appearance of woman on the Earth planet: love to a man, to her children, parents, father's home, to her Earth... As the destination of a woman is LOVE:
