BIG DADDY WILSON has been touring around the world for the last 25 years and has been sharing his love for the blues with people everywhere. 2018 he was impressing his fans with the energetic anniversary Tour.

The “Deep in my Soul Tour 2019” will be more intimate, as he is taking you on a journey into his heart and soul. With this new Album he takes it a notch higher.

Wilson will be singing songs about the deep feelings within his heart, about the joy and pain, we all go through in life, about the love we need to keep on keeping it on.

**BIG DADDY WILSON will reach out and touch his fans with an incredible show, great moments, a wonderful night to remember.**

On this tour he will be accompanied by the Band he has been playing with for the last few years and with whom he has won several awards – the Goosebumps Brothers.
