

# Thanksgiving's a Wonderful Thing

(To the tune of "My Bonnie Lies Over the Ocean")

My uncle is eating the drumstick,  
My auntie is chewing the wing,  
My cousin is nibbling the stuffing,  
Thanksgiving's a wonderful thing.

Bring back, bring back  
Please bring back leftovers to me, to me  
Bring back, bring back  
Please bring back leftovers to me

My daddy loves candied potatoes,  
My mother, the cranberry ring,  
My brother is covered with gravy,  
Thanksgiving's a wonderful thing.

Bring back, bring back  
Please bring back leftovers to me, to me  
Bring back, bring back  
Please bring back leftovers to me
