

Halloween Rock

(Sung to the tune of *Rock Around the Clock*)

**We're gonna walk up the steps and knock on the door
Say trick or treat 'cause we want more**

We're gonna rock, rock, rock this Halloween

We're gonna rock, rock rock, gonna make the scene

We're gonna rock, rock, rock it's Halloween tonight

Well October's here, number 31

That's the night we have some fun

We're gonna rock, rock, rock this Halloween

We're gonna rock, rock rock, gonna make the scene

We're gonna rock rock rock it's Halloween tonight

And if we see a witch tonight

She'll be rockin' on her Halloween flight

We're gonna rock, rock, rock this Halloween

We're gonna rock, rock, rock, gonna make the scene

We're gonna rock, rock, rock it's Halloween tonight
