

## **ANIMAL GAME**

By Ms Tiyi Schippers

REFRAIN:

We're all children. We're all children.

We're all children sitting very still...

We're sitting very still

What if we all were kangaroos, What if we all were kangaroos

What if we all were kangaroos, Hopping all around?

But... REFRAIN

What if we all were elephants, What if we all were elephants

What if we all were elephants, Stomping all around...

But... REFRAIN

What if we all were slippery snakes...

Slippering all around?

But... REFRAIN

What if we all were dinosaurs...

Roaring all around

But...

What if we all were children,

Lovely, Lovely children?

What if we all were children

Having fun with songs, Having fun with songs

Dude! We are!
